

End of year charity total

Charity events are an important part of the BSB year, with students involved in many worthwhile activities to raise money for the school's designated charities.

This year, we set a massive challenge to the children to raise BD12,000, a significant increase on last year's total.

In today's assembly, we were able to reveal the grand total raised for the academic year 2017-2018 and were delighted to share that the students of BSB had smashed their target and raised the staggering total of

BD13,388.940.

This money will be used to support a number of local charities, including the BSPCA, Think Pink Bahrain, Bahrain Down Syndrome Society and the Migrant Workers' Protection Society, as well as international charities such as United World Schools and Chelsea Pensioners.

Everyone at the school is incredibly proud of the students' efforts this year, not only in raising the money to support these charities, but also in raising awareness of the sterling work that these organisations do to support people less fortunate than ourselves.
